JKST-IND SERIES

For chain hanging.

GENERAL DESCRIPTION

- ☆ The economy industrial, a basic all purpose florescent lighting fixture has a wide range of applications. All fixture parts snap together for ease of installation and maintenance. Side knockouts are included for convenience outlet switch and conduit.
- ☆ Reflector fabricated in two sections for 48" and 96" bodies to simplify installation. One end of reflector slides into socket plate and the other side is held on a cam lock (available upon request). Same reflector can be used to shallow and deep fixtures.
- ☆ Ends and socket plates are snap in type. Ends can also be used for end coupler when fixtures are installed in continuous rows.
- ☆ Phosphate coating-baked white enamel - 90.0 Plus reflectivity.
- ☆ Fixtures designed for surface, stem, or chain hanging. Can be installed as individual units or continuous rows.
