JKST-SERIES

GENERAL DESCRIPTION

☆ The economy industrial, a basic all purpose florescent lighting fixture has a wide range of applications. All fixture parts snap together for ease of installation and maintenance. Side knockouts are included for convenience outlet switch and conduit. Chain hangers are also provided on the sides and on the back.

☆ Body is Die Formed heavy guage cold rolled steel.

☆ Pan cover is snap on type, fabricated in two sections for 72" and 96" bodies to simplify installation. Same cover can be used for shallow or deep fixtures.

☆ End and socket plates are snap in type. Ends can also be used for end coupler when fixtures installed in continuous rows.

☆ Finish is phosphate coating baked white enamel - 90.0 plus reflectivity.

☆ Fixures designed for surface, stem, or chain hanging can be installed as individual units or continuous rows.
